We are not in the business of dictating what offers people may promote, however, we suggest that all customers mail for good causes. This is the responsibility of the mailer. Mailers agree to use our lists for only legal legitimate offers and it is the mailers responsibility to insure the same. Six Figure Stamp Club, it's principles, officers, and staff does not endorse or promote any programs and share no financial interests in offers being promoted. Six Figure Stamp Club offers only the list types as shown on the order form. No other lists are offered. If you are promoting any offer that would suggest other lists, or make any reference or claim to any guarantee of response rates, we would request that you remove our company name and contact information accordingly. For faster service in processing list orders we ask that all order forms be submitted by using the enclosed order form. Orders received without the order form may be delayed, returned or refused. Six Figure Stamp Club reserves the right to return any orders that arrive without a completed order form. If you do not have an order form you may contact our customer service department by email to obtain one. Mailing of our lists constitutes your acceptance of the terms and conditions stated herein.
